RULE 312 AMENDMENT AND REMARKS

Madam:

The following Amendment and Remarks are submitted under 37 C.F.R. §1.312 in response to the Notice of Allowance mailed March 20, 2007.

Examiner's Statement of Reasons for the Indication of Allowable Subject Matter

Concerning the Examiner's statement of Reasons for Allowance, it is respectfully submitted that claims 1–20 are allowable because they claim a combination, which includes, *inter alia*, concepts related to those addressed by the Examiner.

Additionally, it is respectfully submitted that, in the Statement of Reasons for Allowance, the claimed limitation referred to by the Examiner that concerns the determination of the time delay does not refer to determining the time delay without using a data signal, but refers to determining the time delays of the delay elements without using the data signal under test.
